Dear Mr. Ekker:

During the January 23, 1980 Executive Session of the Board of Oil, Gas, and Mining, the Escrow Agreement submitted by you on January 18, 1980 for \$6957.00 was fully executed by the Chairman of the Board. A copy of this Escrow is enclosed for your records.

Having completed all necessary requirements of the Utah Mined Land Reclamation, the Division hereby issues Final Approval to the Don Ekker and Ritter Ekker Partnership for the King Mountain Mine.

Please be reminded of Rule 40-8-15 of the Mined Land Reclamation Act which requires each active operation to submit an Annual Operations and Progress Report to the Division at the end of each calendar year. A copy of this form is enclosed which should be completed for any mining operations that occurred in 1979.

Should you have any further questions, please contact the Division.

Sincerely,

Ronald W. Daniels
